Version 22 : Amendment 1

NOTICE

Only clauses that have been amended are shown within this document.

These amended clauses replace the original clauses stated in TTXGP technical rules 2010 v 22, in their entirety.

This document must be read in conjunction with TTXGP technical rules 2010 v22

Amendments in each clause are shown in Italic format.

1. Special Notice

In the event of any non-safety related dispute, the decision *of* TTXGP is final in all circumstances. In all other cases, the Clerk of the Course *or national equivalent* has primacy. Clarification or amendments to the rules will be posted at www.egrandprix.com. Notification of any changes will be sent out to all valid entrants. It is the responsibility of the entrant to ensure that they are in possession of all the latest rules and guidelines. TTXGP cannot be held responsible for any failure of receipt of the rules.

Each entrant must regularly check www.egrandprix.com where any supplementary regulations, final instructions or clarifications will be published.

6. Transponder timing

All machines must have the transponder or timing device fitted as stipulated in the supplementary regulations for each national race. This may be in addition to any additional requirements of the organiser / promoter.

7. Technical Control

- a. As a condition of entry, a Technical Construction File must be submitted with the race entry, using the template provided (available on www.egrandprix.com). This must provide the basic information listed, as well as the design steps taken to a) ensure compliance with the TTXGP rules b) the relevant *national or regional* Race Regulations and c) safety for rider, team, spectators, officials and marshals.
